

PUBLIC IMPROVEMENTS

MOVEMENT FOR OPENING AND PAVING OF PORTIONS OF ORANGE AND ELK

The Board of Trustees has been requested to open up that portion of Orange street between Doran and Lexington streets. The matter was referred to a committee of the whole which gave instructions for legal proceedings to be drawn up and presented at the Thursday night meeting.

There has also been a request for the circulation of a petition for the improvement of Elk avenue west of Central avenue. The sidewalk and curbing are in but the roadway has never been improved on that thoroughfare.

Engineer Smith of County Flood Control Office was in Glendale Monday and with City Engineer Eddy, President Woodberry and City Manager Watson took up some matters in connection with the Sycamore Canyon Road which will be up for consideration as soon as the street is acquired, which will probably be within the next thirty days.

It is planned that the Flood Control District will spend at least \$10,000 to take care of the sand and debris which comes down the canyon before it reaches the proposed new boulevard, the north terminus of which is in the vicinity of the St. Clair pumping plant a short distance northeast of Verdugo Road. It is expected that the county will construct a sand trap at that location or adopt some other means to take care of the sand before it reaches the street.

City officials also consulted with Engineer Smith relative to the general plan of the street, grades, culverts and other matters involved in taking care of flood waters.

The value of the land to be purchased for the opening of Sycamore Canyon Road is \$35,932, and the purchase will be made as soon as a sufficient amount has been collected. The city has already received by offsets \$9,373.81. Satisfactions of judgments have been signed to the value of \$1,641. Cash collections up to last Thursday totaled \$23,947.86, leaving a balance of only \$969.33 yet to be collected before there will be funds enough to purchase the ground.

Relative to the movement on the part of municipalities to institute public improvements that will give employment to labor, city officials state it is not fitting they should take the initiative in such matters, that the call should come from the citizens; that if any group of citizens desires a local improvement which will benefit the city and will present a petition for it, the trustees will be glad to act. It therefore comes back to the private citizen, if he wants to give work to the unemployed through public improvements, let him look around to see what is most urgently needed and get busy with a petition.

CHRISTIAN SABBATH

DR. LOCKE DISCUSSES THIS VITAL SUBJECT BEFORE LARGE AUDIENCE

Dr. Charles Edward Locke, popular pastor of the Los Angeles First Methodist Church, spoke last evening before the largest audience that has yet gathered to hear the lectures on "Christian Fundamentals." After a prayer by Dr. Willistord the speaker was introduced by his old friend, Dr. Julius Soper, who referred to Dr. Locke's long pastorate of 18 years in California, 11 of which have been with the First Church of Los Angeles. He spoke in highly laudatory terms of Dr. Locke's character and work and the esteem in which he was held in Los Angeles and vicinity. Dr. Locke replied in happy vein, deprecating his rather extravagant expressions, saying he knew himself better than Dr. Soper knew him and that possibly his praises were greatly exaggerated. Then he began his lecture by referring to the creation, when God rested on the seventh day and hallowed it.

"It is probable," said the speaker, "that Sabbath observance was then instituted, but when the world was given over to all manner of wickedness, the custom gradually died out and was not revived until after the Israelites had departed from Egypt. Then, on trembling Sinai, God gave to Moses the ten commandments, the fourth of which referred in most explicit terms to the Sabbath Day, which the Jews were to keep holy."

Coming on down to the Savior's time the speaker told how Jesus gave a new meaning to the Sabbath, that it was not for rest only but for the doing of good works. "The Sabbath (Continued on Page 4)

VETERANS TO ORGANIZE

MEETING TONIGHT TO ORGANIZE DUGOUT OF ALLIED WORLD WAR VETERANS

In the Elks' Social Hall tonight a meeting is to be held to organize a "Dugout" of the Allied World War Veterans, which organization is to include every man in the United States and all the Allied nations who was inducted into any branch of the service during the recent world war. Hon. Chas. Winsel, of Glendale, Belgian consul, is an honorary member, as are Hon. C. White Mortimer, British consul; Judge Bledsoe, Senator Savage, Councilmen Criswell and Cleveland of Los Angeles and many other distinguished men. Our own Capt. Drew Nicoles is to preside at the meeting and it is hoped every service man of any branch in Glendale, Eagle Rock or Burbank will be present and enroll.

DIDN'T LOOK BEFORE HE LEAPED

Laurie Gillis of 117 South Belmont street had a peculiar accident which might easily have been serious and incidentally the automobile of Mrs. Morrison of Eagle Rock was damaged. Laurie was riding along on his bicycle at a fast clip and gazing at something which interested him in the landscape without paying attention to what was ahead of him. In consequence he ran into the rear of a parked machine, denting the oil tank, and was thrown by the force of the impact into the machine and up through the top tearing it considerably. But for the check to his flight offered by the resistance of the top, bystanders figured the boy might have had a bad fall. The accident occurred near a fruit stand on Colorado avenue just east of Glendale avenue.

STUDY RUSSIA

PRELIMINARY SURVEY OF THE RUSSIAN PEOPLE AT LIBRARY BOOK REVIEW

Russia was the theme at the book review conducted by Mrs. Danford, City Librarian, at the library on Harvard street Monday afternoon. The attendance was larger than usual and the interest increased. As a preliminary and to afford a better understanding of the literature, a preliminary and very general survey of the Russian people and the land they live in was given by Mrs. Danford who dwelt on the vastness of everything Russian. She referred to the fact that though Russian history can be traced back only to the ninth century, its literature began in the nineteenth century but that in those centuries of gestation Russia accumulated a wealth of material which is now blessing the world in this belated literature.

She prefaced her talk by a quotation from "The Prayer for America" by Sheridan Watson Bell:

"O God, bless this favored nation claimed from all the earth and use it to mediate thy peace to those who in their zeal for mastery have forgotten that ONE is their Master and that all they are brethren."

She also quoted George Mellen on the unrest of today, and voiced the thought that America's attitude toward Russia should be one of sympathy and helpfulness. There was some discussion and all seemed to be anticipating the review next week of some of the Russian masterpieces.

BIG SCHOOL EVENTS

Two events of importance to Glendale High come off this week, but the first is the one of outstanding interest to students and the one which will furnish the most excitement, viz., the basketball game which is to decide the championship of the Suburban League and whether the banner is won by Glendale or by Citrus Union High. It is to be played Tuesday evening at 8 o'clock at the gym of the Pasadena Y. M. C. A. on Marengo near Colorado boulevard, and it is probable there will be a big delegation to witness the game from this city as there were many rooters at the last one played at Alhambra in spite of the fact that it was an exceedingly rainy night.

The other big school event is the election of a trustee to take the place of President C. W. Young of Eagle Rock, who has been a valued member of the Board but who is unwilling to stand for re-election. Mrs. Gardener of Eagle Rock has therefore been named as the candidate from that district and received strong endorsement.

ANOTHER REVOLUTION BREWING

RUSSIAN-HUNGARIAN SOVIET APPEALS FOR WORLD-WIDE UPRISING OF PROLETARIAT

(Special Service to Glendale Evening News)

Berlin, March 25.—The Russian-Hungarian soviet has appealed for a world-wide uprising of the proletariat, according to Buda Pesth dispatches.

The Russian premier, Lenine, is said to have opposed an armed Bolshevik crusade, favoring propaganda and financial support for foreign agitators.

The German Spartacans are planning to launch their third revolution before April 1. It is intended as a signal for a general European Bolshevik uprising. They plan to open hostilities without warning, believing that the strike which preceded the last revolution permitted the government to prepare to suppress it.

Quantities of munitions are being gathered by the Spartacans, who are storing them secretly.

LIBERTY BONDS STOLEN

BURGLARS OPEN VAULT OF FIRST NATIONAL BANK OF ARTESIA AND ROB SAFETY DEPOSIT BOXES

(Special Service to Glendale Evening News)

Artesia, Cal., March 25.—Burglars during the night broke into the First National Bank of Artesia, opened the vault with an acetylene torch and explosives, broke into every safety deposit box and escaped with \$50,000 in Liberty Bonds, \$900 in post office stamps and \$400 in money, as well as an unknown amount of other valuables.

The robbery was discovered when the bank opened this morning. The robbers had not opened the inner vault, where a quantity of money was kept.

EFFORT TO RUSH PEACE NEGOTIATIONS

CONFERENCE INFORMED THAT AMERICAN AND ALLIED TROOPS MUST BE SENT TO HUNGARY

(Special Service to Glendale Evening News)

Paris, March 25.—Diplomatic dispatches report that two monitors have arrived at Buda Pesth after being fired upon en route. The Hungarians seized a British patrol boat, but later returned it with apologies.

American representatives at Buda Pesth have been promised protection.

Martial law has been proclaimed in Hungary and a stiff penalty prescribed for armed resistance, robbery and plundering. Anybody except a worker or guard found drinking liquor is subject to a \$2,000 fine.

The peace conference has received reports from Allied agents declaring that American and Allied troops must be sent to Hungary immediately to save the situation. These reports declared that the Allied forces now there are entirely inadequate to prevent the spread of Bolshevism over Western Europe.

President Wilson has asked the peace delegates to rush their work in view of the acute situation.

SAMUEL GOMPERS AS INTERPRETER

TO DECIDE WHETHER LEAGUE CONSTITUTION AFFORDS LOOP-HOLE FOR ORIENTAL IMMIGRATION

(Special Service to Glendale Evening News)

Washington, March 25.—It is believed probable that Samuel Gompers will be asked to determine whether the League of Nations constitution contains a loop-hole whereby Oriental immigration may proceed unrestricted. The request to Gompers is the result of Senator Phelan's demand that the constitution of the league be so framed that it will not permit immigration matters to be decided unfavorably to the United States, and Senator Borah's statement that the League of Nations constitution as now framed means that alien votes will determine the American immigration policy.

TO HELP ORIENTAL TRADE

SUBSTANTIAL REDUCTIONS IN TRANSCONTINENTAL FREIGHT RATES FROM EAST OF THE MISSOURI

(Special Service to Glendale Evening News)

Washington, March 25.—The railroad administration has announced substantial reductions in freight rates for commodities being shipped from east of the Missouri River destined for the Orient.

This is considered a big victory for eastern manufacturers and Pacific coast shippers, who have long claimed that high transcontinental freight rates have handicapped them in competing for the Oriental trade.

LAND FOR SOLDIERS AND SAILORS

(Special Service to Glendale Evening News)

Sacramento, March 25.—The Senate finance committee today recommended for passage bills appropriating one million dollars for state land colonization work and authorizing a bond issue of ten millions to provide land for discharged soldiers and sailors.

THE JOB AND THE MAN

MANY WORKERS BEING PLACED THROUGH MUNICIPAL EMPLOYMENT BUREAU

The employment bureau at the City Hall which is in charge of Miss Wilson has justified itself. To date about twenty-five men and boys have been registered for employment and the majority of them have been placed, a few in permanent positions but the greater number for temporary manual work such as gardening and cleaning up work. In capacity these men range from expert mechanics to day laborers. Some are carpenters, some machinists. One man who registered as buyer for a dry goods store it was impossible to place in a suburban town, but as before stated, manual work has been found for the majority. There might be no job awaiting them when they called to register, but the application would come in a few hours.

City Clerk Sherer and Miss Wilson, who are responsible for the department, hope that citizens will constantly keep it in mind and whenever they have need of help telephone the City Hall. There is no charge to either worker or employer and the patriots who feel that we should do everything possible for the soldiers should remember that those who have not returned to their old jobs want employment, not charity, and wherever it is possible to make work for them to do, there is the chance for good citizenship to come in. Also, the men who were not soldiers but who need to be fed and clothed should not be forgotten and for lack of work driven to thievery.

SOLDIERS AND SAILORS

DINNER AND ORGANIZATION TO CEMENT BONDS OF UNION IN COMMON SERVICE

To clear up any misunderstanding which may exist in the minds of citizens and soldiers relative to the proposed organization to be formed next Friday evening at the First Methodist Church and the one to be instituted this evening at the Elks' Club, Rev. Charles H. Scott explains that according to his understanding the one which will be considered this evening is an international organization to be made up of soldiers in all the armies of the Allies, whereas the American Service League to be formed Friday will be a strictly American affair composed of soldiers and sailors of the United States.

Invitations to attend the dinner which will be given at 6:30 Friday evening at the First Methodist Church have been sent to all the men whose names and addresses appear on the lists of registrants with the local Exemption Board. The committee is conscious that not all can be reached in that way because the Board made few inductions of sailors, also many men voluntarily enlisted at recruiting offices in Los Angeles and elsewhere and the Board had no record of them, but it wants every man, sailor or soldier, to consider himself invited to that dinner whether he has received an invitation or not.

Mr. Scott states it is his understanding that the American Service League has been initiated in California and now has units in San Francisco and the bay cities, Los Angeles, San Bernardino, Hollywood and other cities and that it is spreading to other states and will soon be a national organization.

The public meeting which will follow the dinner will be held in the auditorium of the church, the central portion being reserved for soldiers and sailors, the balance of the house being open to the public which, it is believed, will wish to largely attend as a welcome to the returned men. Details of the program have not been completed, but will be announced later.

AUCTION BRIDGE

Mrs. A. A. MacIntyre of 306 North Central avenue entertained Saturday afternoon with an auction bridge party which was greatly enjoyed by the ladies who participated. The guest list included Mrs. W. D. Haywood, her daughter Mrs. Hunter and Mrs. Laurence, of Vancouver, Mrs. Helen Campbell, Miss Annie MacIntyre, Mrs. John Robert White, Mrs. Maurice Bondaux, Little Gabrielle Bondaux also entertained at the same time little Edith MacIntyre and Barbara Bridgeford of Los Angeles. California poppies were used in decoration and made a very pretty floral setting for the affair. Refreshments were served at the close of the play and the prize for the highest score was bestowed upon Mrs. White.

THEY MET BY CHANCE

BOYHOOD CHUMS MEET AFTER MANY YEARS AND FORM BUSINESS PARTNERSHIP

In little old Winterset, Iowa, somewhere around 30 years ago lived two youngsters whose fathers had "drunk from the same canteen," having been members of the same company in the Civil War. They played and scraped and grew up together and then they drifted apart, Clyde Morrison coming out to California and A. L. Baird engaging in business in his home state. The latter became interested in the possibilities of 5 and 10c stores and he and his brother, with the aid of a local capitalist, started one in Chicago. This proved so successful that others were added from time to time in smaller cities of Illinois, Indiana, Iowa and other states, until there were 31 in all. Mr. Baird established 22 of them himself, directing the erection and furnishing of the buildings to house them. He finally became manager of the entire system, had charge of all leases and did nearly all the buying for the lot, this totalling millions a year. Last year the sales were over two and a quarter millions.

Twelve years ago he came out to California on a visit, met a young lady in Auburn, near Sacramento, who proved to be his soul mate and they were wedded, settling down in Chicago, where they have lived ever since. A few weeks ago they started for California, Mrs. Baird hearing that her mother was quite ill. While she was nursing her mother back to health, Mr. Baird came on to Glendale to visit his sister, who is the wife of Dr. T. C. Young. She told him that his old chum was employed in Roberts & Echols' drug store. He went at once to see him and during their conversation they discovered a mutual inclination to embark in business in California. They found Mr. Elliott willing to dispose of the Glendale Pharmacy and soon closed a deal for it. Mr. Morrison is a first-class pharmacist and his partner one of the shrewdest buyers in the country, so the success of the new firm of Baird & Morrison is assured from the start. They intend to make extensive changes in the store rooms and increase the stock materially. Mr. Baird will start back to Chicago next Saturday, joining his wife in Ogden. He will buy quite largely there for the new store and will come to Glendale to live about June 1st. We certainly will be glad to welcome him and his good wife.

BROADWAY P-T. A

HOLDS VERY IMPORTANT MEETING AND PLANS MUCH WORK

The regular meeting of the Broadway Parent-Teachers' Association was held Thursday, March 20th, commencing at 3:30 p. m., with Mrs. Lydia M. Kulp presiding. After the meeting was called to order the salute to the flag was given and the "Star-Spangled Banner" sung. The count of the rooms was then taken for vase prizes and the 5th Grade was found to have the largest number of mothers present, so was awarded the first prize, a large vase. Ungraded room received the second prize. A committee of three, Mesdames Inglis, Jetson and Fansett were appointed to consider the revision of the constitution. Mrs. M. O. Ryan, principal, and Mrs. Ewins were appointed to act with the president and Mrs. A. A. Barton as a committee to present to the Board of Education the need of greater playground space at Broadway school. It was moved and carried that a greater membership drive be put on and the following mothers agreed to assist in this: Mrs. Holler, to be assisted by the kindergarten teacher, Mrs. Gibbons for the 1st grade, Mrs. Quarrie for the 2d grade, Mrs. Fuller for the 3d, Mrs. Horner for the 4th, Mrs. Eischorn for the 5th, Mrs. Ed Lee for the 6th and Mrs. Dehose Rutherford for the ungraded room. This same committee of mothers agreed to act as a committee to get out a large vote for school trustees. Mrs. President here introduced Mrs. Timothy who gave two readings and then responded to a persistent encore. These were greatly enjoyed. A rising vote of thanks was given the reader.

THREE NEW STEEL CARS

There is now on the track at the Salt Lake station in Glendale a new steel electric motor car that is to be run on the Glendale-Montrose Railway. The car is painted a bright red and has a modern finish in all particulars. Two other cars like this one will be received in a few days, one to run on the Montrose line and the other on the Eagle Rock line.

NO ABATING OF COMMISSIONS

Those who hold that California's running expenses are far greater than they should be, on account of the many and costly commissions created during the past few years, are greatly disappointed over the failure of the Governor's commission of inquiry to accomplish anything. This commission recommended some retrenchment, but the Governor did not approve the plan, so it all came to naught.

REED DEFIANT

Senator James A. Reed of Missouri, who was recently requested, by a vote of 50 out of 67 State Legislators, to resign his seat, takes the request as a joke, saying that if the other 38 members of Congress who signed with him the round robin pledging refusal to ratify the League of Nations constitution, as proposed by the President, would also resign, he would do so. He reiterated his defiance of the President and claims he will stand out to the end in defiance of the League of Nations plan.

CHRISTMAS ANGELS

RED CROSS NURSES MAKE HAPPY HOLIDAY FOR FRANK LITTELL IN HOSPITAL

A letter received from Frank Littell while in the hospital at Vittel, France, by his mother, Mrs. James Graham, of 200 East Dryden street, describes the care and kindness shown the sick and wounded and the sweet home touch that the Red Cross workers put into all that they do which make the hardships of war so much easier to bear.

Christmas. In the hospital at Vittel, France.

Dear Mama:—The big day has passed for another year at least, and say, we were treated royally yesterday. Everything was done for our comfort except placing us where the home fires were burning. Christmas Eve Santa Claus came around disguised as a Red Cross Sister and left a sock bulging full with good things. With the sock we also received a box of candy Butter Scotch and hard candies the size of a Uneda biscuit carton. The sock contained a pair of woolen gloves, a handkerchief, a pair of socks, chewing gum, chocolate, an orange, nuts, cookies and so on, and later a real, honest-to-goodness blackberry pie all decorated up on top with holly and mistletoe, a Christmas for three of us. It was a pipkin and one of the best things I have seen in France. I have seen more candy and sweets in the last two days than I saw all the rest of my sojourn in the A. E. F.

Yesterday afternoon about one o'clock we had our Christmas dinner and it was a good one served in banquet style to about three hundred of us. The dining hall was all dolled up like a million with trimmings. They had an orchestra playing and a quartette singing. We had no turkey, but had roast pig instead, which was very good. I will give you the menu as near as I can remember it: Celery, tomatoes, soup, salted almonds, roast pig, dressing, potatoes, combination salad, coffee, tea, mince pie, pumpkin pie, cake, nuts, cigars, candy, oranges.

It was a well-cooked, well-served and well-appreciated holiday dinner. The bed patients got turkey. I was not confined to bed at that time, but I got my plate of turkey just the same as the sergeant was a former Glendale man, a Mr. Harrington. This was quite a contrast to the Christmas I spent a year ago when I was snowed in with a guard of three men for a week at the Aprey railroad station.

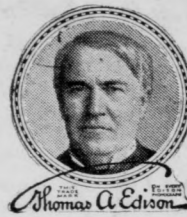

Yesterday afternoon the Red Cross served hot drinks and cookies and candy at their hut, and a couple of entertainments last night ended the program of a most pleasant day. Just about dark snow began to fall and in an hour the ground was white. One present I wished for and didn't get was my mail. It seems like years since I received my last letter.

FRANK.

Personals

The U. and I. Club will meet with
Mrs. Roy Hornung of Mira Loma ave-
nue on Wednesday afternoon.
Dr. and Mrs. R. V. Hogue spent
Sunday in Santa Ana, visiting Mrs.
Hogue's brother and family.
Harry Marple, wife and little Betty
of Redondo Beach were in Glendale
to spend Sunday with relatives and
friends.
Mr. and Mrs. James McBryde spent
a couple of days in Pomona last week
on a business and pleasure trip dur-
ing which they were guests of Mrs.
McBryde's sister, Mrs. C. H. Carter.

Glendale's industries continue to
grow. A meat market, a photo en-
larging and picture framing estab-
lishment, an auto agency and a res-
taurant are the latest additions, with
more to follow.

Mrs. Chauncey K. Lake of 325 W.
Cypress avenue has returned to her
home to remain until school is out
and her son Richard is free to return
with her to the camp in Pacoima can-
yon, where Mr. Lake is conducting an
auto station.

Mr. and Mrs. Joseph Clark of Ok-
lahoma were Sunday guests of Mr.
and Mrs. Landon Haynes of Cypress
avenue. Mr. Clark is a close relative
of Mr. Haynes whom he has not
seen before for fifteen years and the
meeting was a very happy one.

Miss Winifred Sadler, a former
employee at the City Hall, was dis-
charged as a yeowoman in the Mare
Island Navy Yard last Saturday and
is now in Glendale as the guest of
her sister, Mrs. Young. She plans to
return to San Francisco the last of
the week.

Miss Carol Duncan was a delegate
to the big Christian Endeavor Con-
vention at Pomona for the week-end
and reports it was a very inspiring
meeting which drew an attendance of
about 2000, the party from the Tropi-
co Presbyterian Church numbering
about ten.

Spencer Robinson repeats the
chorus of all the Glendale real estate
men relative to the shortage of
houses and the improved demand for
real estate. His recent transactions
have included the sale of a house and
lot owned by Frank T. Taylor at 312
North Belmont to Mrs. Aylesworth,
a new comer in Glendale.

Mrs. B. Dudley Snudden, who
spent the week-end in Glendale as
the guest of Mrs. H. D. Goss on Har-
vard street, left Sunday evening for
Santa Monica where she is teaching
in the Intermediate School. Mr.
Snudden is still abroad and expects
to be called to educational work in
connection with reconstruction activi-
ties which are being carried on by
the Y. M. C. A.

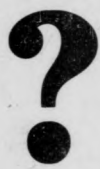

Mrs. Lillian Peckham, president of
N. P. Banks W. R. C. asks the mem-
bers of the Post and Corps not to for-
get the Red Cross Clothing Drive.
The Post and Corps are in charge of
the Drive on Wednesday and mem-
bers are expected to make their con-
tributions that day. Take the cloth-
ing to the Salvage Rooms of the
Tropico auxiliary, Mercantile Bldg.,
on San Fernando Road. If you can
not do that phone Mrs. Purnell, Glen-
dale 277, and she will call for it.

Mrs. Louise Purnell of Riverdale
Drive states that her nephew, Charles
Newton Shilton, has just gone back
to Champaign, Illinois, to complete a
course in the State University, after
which he expects to return to Cali-
fornia. He had several offers of
good positions here but preferred to
complete his college work. He was
discharged from the army in Febru-
ary after seven months' service in
France. While here Mrs. Purnell
was kept very busy showing him and
his mother the sights of Southern
California, which they covered pretty
thoroughly, going to Catalina, River-
side, San Diego, and other beautiful
spots. Mrs. Shilton remains to
spend the winter with Mrs. Purnell.

CLOTHING DRIVE

At Glendale Union High School
there was an assembly Monday after-
noon at which the girls and boys
were segregated into two teams to
work for the Clothing Drive of the
Red Cross. Wednesday is the time
set for bringing in the clothing to the
school and it remains to be shown
whether the girls or the boys will be
most efficient in this Drive.

The donations brought to the
warehouse back of the Pacific Elec-
tric and to the Red Cross Shop on
Brand boulevard Monday were rather
disappointing. Members of the com-
mittee in attendance did not doubt
the clothing would come in before
the end of the week, but figured that
citizens are perhaps just waking up
to the matter and have not yet got-
ten their contributions together. It
is important that they be received
early that the committee may begin
packing and finish when the Drive
ends. Glendale has not fallen down
on any of the Drives she has attempt-
ed to date and will probably not fail
in this, but those who have clothing
to spare should get busy and either
bring it to headquarters or telephone
for collectors to call for it.

FIRST AIR POLICEMAN

The announcement is made that
Venice is to have the first air police-
man. Otto Meyerhoffer, a local avia-
tor, is to put on a regular policeman's
uniform and begin his duties April
1st. He will be expected to detect
auto speeders and keep the peace be-
tween fishermen on the high seas off
the Venice coast. Just how he will
arrest a speeder is not stated. Prob-
ably he will simply drop on the ma-
chine and flatten it out. As to stop-
ping scraps between fishing boats, all
he needs to do is to drop bombs on
one or both of them.

SALVATION ARMY SUBSCRIP-
TIONS

While the big drive for subscrip-
tions for the Salvation Army will be
made the last four days of the pres-
ent week, donations are coming in
steadily at the headquarters which
are at the office of Charles Kent &
Son on Brand boulevard. The Fri-
day night meeting at the Elks' Club
yielded pledges totaling \$121. Sub-
scriptions totaling \$51.50 ranging
from one to ten dollars were received
at the Elks' Club Monday evening
bringing the total to \$172.50.

FIRES DOOMED

The Stop Fire Appliance Co. will
give a demonstration of their chemi-
cal compound that stops the greatest
conflagration in a few seconds, on the
vacant lots in rear of White Supply
Station, Louise and Broadway,
Thursday afternoon, at 4:30, under
the direction of Chief Lankford of
the Fire Department, the city officials
and Board of Education. The public
is earnestly invited to attend. It
means millions saved to you. 1721*

BRIDAL SHOWER

FRIENDS HONOR MRS. DELBERT
M'ADAMS, AT HOME OF
MISS BRICE

A very jolly affair was a linen
shower given in honor of one of Glen-
dale's fair young brides, Mrs. Del-
bert McAdams (nee Miss Freida
Lindley), at the home of the Misses
Brice, 304 N. Kenwood St., Friday
evening. The rooms were decorated
with spring flowers and greenery that
shed their fragrance everywhere and
caused guests to seem to hear the
melodies of the forest on a bright
spring morning.

After the guests had arrived the
bride was told to lead the procession
to the dining room where her friends
wished to see her gather their tokens
of love and abundance of good wishes
"from the line of friendship." The
line which reached from
wall to wall was loaded with
beautiful linen on which were many
hand-made stitches which spoke the
words love plainer than they could
ever be written.

A substantial and delicious cafe-
teria supper was enjoyed. There was
much merriment over a contest. A
set of hand-made dollies were given
for the best imaginary married life
experience. The stories given show-
ed much talent, and it was a task for
the judges to decide which was the
best. Miss Helena Schwarze was
awarded the prize.

Those present were: Mrs. Del-
bert McAdams and the Misses Zelma
Lindley, Eva Thede, Margaret Lusby,
Wanita Emery, Marion Addison, Bes-
sie Carney, Ruth Morton, Olive
Waunita Emery, Marion Addison, Bes-
Francy, Helena Schwarze, Josephine
Emery, Eleanor Brice, Olive Bell Em-
ery, and Mesdames Chas. H. Scott, P.
E. Fuller, S. F. Lindley, Chas. P.
Brice and the Misses Brice.

GOOD GLENDAL E BOOSTING

Captain D. Ripley Jackson is a
good scout for Glendale. He is foxy,
too, and doesn't overdo it, which
makes his work all the more effec-
tive. Several weeks ago he enter-
tained his brother-in-law from New
Jersey, Colonel Fraser, who had
burned all his ships behind him, met-
aphorically speaking, and come to
California to remain if he liked it af-
ter a more extended acquaintance.
He liked it all right, but there was
such an embarrassment of riches in
the way of attractions and counter at-
tractions he didn't know where to lo-
cate. "Twas a case where "I could
be happy with either were tother
dear charmer away." He was sus-
ceptible to the allurements of Glen-
dale, but wasn't quite sure that
he would not like Hollywood better.
Captain Jackson suggested that he
try it and see, meanwhile making it
very pleasant for the Colonel during
his frequent visits to Glendale. In
consequence the Colonel's last re-
serves gave way and he has just not-
ified the Captain of the purchase of a
home at the corner of California and
Central avenues and his final decision
that Glendale is the place for him.
Col. Fraser is agent for the American
Railway Express in Los Angeles.

APARTMENT HOUSE IMPROVE-
MENTS

With good business judgment M.
Ambrosini has made improvements in
the business block he owns at the
southwest corner of Broadway and
Glendale, spending about \$2,000 to
convert the second story into pleas-
ant apartments which can be reached
from a stairway ascending from the
Broadway frontage. There is such a
demand for apartments and houses in
this city he will have no trouble in
securing tenants. Real estate men
declare it would be an excellent in-
vestment if several other buildings
which are run down in appearance
were remodeled and converted into
attractive, up-to-date apartment
property.

TOO MUCH OF A GOOD THING

Mrs. Des Plantes of 706 South Bel-
mont had a surplus stock of Barred
Rock hens which she decided to re-
duce and so placed an advertisement
in the Glendale Evening News to be
run for several days. After one in-
sertion she telephoned to please re-
move it from the columns of the pa-
per as the hens were all gone and she
could have sold them twenty-five
times over.

DANCE AT PACKER HOME

Friends of Miss Doris Packer were
entertained at the home of her pa-
rents on Riverdale Drive Saturday
evening with a dancing party, the
guest list including Miss Ruth Can-
ary of South Pasadena, Virginia
Huntley, Evelyn Gregg, Evelyn Ap-
ple, Eleanor Sawyer, Marie Hearn-
shaw, Victor Colburn, Langley Mere-
dith, John Richardson, Stillman
Chase, Waldo Cowan and Paul
Hutchinson. Refreshments of ice-
cream and cake were served and it
is needless to say the young people had
a delightful evening.

Our recent ad in the Evening News brought
in such a flood of customers for the

Wahl Eversharp Pencil

that we were soon sold out completely. Sat-
isfied buyers spread the news of the wonderful
convenience and utility of this marvelous little
invention, and insistent new demands for pen-
cils caused us to rush orders for a new supply.
We are happy to announce that a new ship-
ment of these pencils has now arrived and all
orders can be filled. The **Eversharp** is a mar-
vel of convenience. A simple turn renews the
point, a simple pull releases the eraser, a few
simple motions replace the lead from an ever-
filled magazine. A clip attachment prevents
losing it.

Always Ready For Use

Each pencil is in a neat box, containing printed
directions for adjustment and use. Have you
yet bought yours? If not, do not delay.

THE CHRISTIAN SABBATH

(Continued from Page 1)

was made for man, not man for the Sabbath."

"The early church observed the first day of the week, the Lord's Day, instead of the Sabbath, as is evidenced by the reference to Paul's ser-

mon at Troas, by Paul's commanding to lay by in store on the first day of the week as the Lord had prospered them, and by John's reference in Revelation to the Lord's Day. In the first and second centuries frequent references are made by the Christian fathers to the observance not of the Jewish Sabbath, but of the

first day of the week or the Lord's Day.

"Sunday rest is a physical necessity. Experiments have proven that working seven days a week shortens the average man's life 12 years. California is the only State in the Union that has no Sunday law and all efforts to incorporate such a law into our statutes is met with determined opposition. That opposition which is based on a firm religious belief should be and is respected by those who favor such laws and said laws should be so framed as not to work a real hardship on any, but it is not doubted by any true believer in Christianity that some one day in the week should be set apart as a rest day and the first day has been adopted by a large majority of Christian peoples.

"The strongest opposition to a rest day comes from the forces of evil and from those who are indifferent. Even many Christian people who believe in the Lord's Day observance rather than that of the Jewish Sabbath resent having their pleasures curtailed by Sunday laws. When I see a group of women out pleasure riding or engaged in frivolous acts on the Lord's Day I wonder that they can so dishonor the memory of the Christ who alone is the cause of their being lifted from the depths of degradation and slavery to their present high plane.

"Our gifted President recognized the necessity of the day of rest, when by proclamation he commanded the cessation of all unnecessary labors on the Lord's Day. The country that reveres and observes the Sabbath Day will surely prosper as truly now as in Moses' time."

The speaker closed with a tribute to Glendale's beauty and marvelous progress and by relating some anecdotes that told rather heavily against himself. Dr. Locke is a most genial speaker and carries his audience along with him so that not a word is missed.

Misses Eva Thede and Marian Addison of the First M. E. Church choir delighted the audience with vocal selections. The presiding officer conveyed the thanks of the audience to the young ladies and also to Miss Mottern for her instrumental number at the previous meeting.
